Two High Impact Workshops: 13th June 2025 (Friday) LIMITED SLOTS

LEARN FROM THE MASTERS
EXPERIENCE IT HANDS-ON

ENDOSKULLBASE:

The aim of this workshop is to teach the delegates not just about the basic anatomy of the transnasal approach, but also to make them understand and learn the various surgical steps that are required to approach the sellar suprasellar area via this approach. It is also important to learn the various corridors that are available, which may be uninostril or binostril.

MICROVASCULAR:

A workshop on **microvascular anastomosis skills and EC-IC bypass** is an indispensable component of neurosurgical training. It not only enhances technical proficiency but also improves decision-making, patient selection, and surgical confidence. Neurosurgeons trained in these advanced techniques are better equipped to manage challenging vascular cases, ultimately leading to improved patient outcomes.

INTERIM
SKULL
BASE
MEETING

2025

Join us for this unmissable skill enhancing opportunity

A Focused Learning Experience in Skull Base for Neurosurgeons

This year's CME of the interim skull base meeting is not just like any other CME. It's a curated program aimed at neurosurgeons who wish to excel and master the skull base surgery.

AIIMS Bhopal invites you to **#The Skull Base Course**, a meticulously designed one-and-a-half-day **CME (14th–15th June 2025)**, offering an immersive deep dive into anterior, middle, and posterior skull base surgery.

What to Expect?

- ✓ Comprehensive Surgical Anatomy: Microscopic & endoscopic demonstrations.
- ✓ **Expert-Led "How I Do It" Sessions: Surgical videos with practical insights on case selection, approach, positioning, and intraoperative nuances.**
- ✓ Debate & Discussion Panels: Engage with leading experts in analyzing complex cases and refining decision-making strategies.

This focused debate-driven and technique-oriented course is an unmissable opportunity for neurosurgeons to sharpen their skills, expand their knowledge, and interact with national & international faculty.

SCHOLARSHIPS

- **SUBMIT YOUR ABSTRACT AND GET A CHANCE TO WIN !!!**
- All submitted Resident/Fellow abstracts will be blinded and evaluated.
- Top 10 papers will have their **registration fees reimbursed** at the end of event. If they attend all registered sessions, cheques would be handed over only in person during the valedictory function.
- First 50 resident/fellow registrations also get a **complimentary stay** on twin sharing basis in guest house/transit hostel.
